

Remarks:

This amendment is submitted in an earnest effort to advance this case to issue without delay. The examiner has indicated that the case contains allowable subject matter.

The claims have been amended to eliminate the method claims, although it is noted that under 37 CFR 1.475 such claims would have been admissible by right if presented at the beginning.

The case is therefore in condition for allowance and passage to issue.

Respectfully submitted,
K.F. Ross P.C.
